

## Universal 3 – 4 year funding

**At the age of 3 years your child is eligible for the universal 570 hours of funded education which we offer as an enhanced stretched offer or on an extended term-time basis as shown.** Our various sessions are shown in this Price List below and where parents choose to access an Enhanced Offer, over and above the basic government funded provision, then there is an additional charge that covers these additional services. These services include, but are not limited to, snacks, lunches, trips outside the nursery, visitor activities, tea parties, graduations and other gifts. You are not obliged to take up these additional services and you can access your funded only hours at NIL COST as shown in this Price List. Any additional hours outside our funded delivery are charged for but if you are attending all year round then we ensure your funded entitlement is accounted for on your invoice as a number of hours. This sum equates to your 'free' entitlement from the government and the balance relates to the fees for your remaining childcare services, as shown in this Price List.
